

Sonderfahrplan

Vom 26.10. bis 22.11.2009 Baumaßnahmen
auf der Strecke Münster – Rheine

mobil im Münsterland

Sehr geehrte Fahrgäste,

auf der Strecke Münster – Rheine sind vom **26. Oktober bis zum 23. November** umfangreiche Baumaßnahmen geplant. Um die Auswirkungen für Sie möglichst gering zu halten, werden die Arbeiten in vier Phasen durchgeführt.

In den **ersten beiden Bauphasen (26.10.–01.11. und 02.11.–08.11.)** werden die Gleise zwischen Münster Zentrum Nord und Greven sowie die Gleise 1 und 2 in Greven erneuert. In diesem Zeitraum ist der Abschnitt MS Zentrum Nord-Greven für den Regelzugverkehr gesperrt. Es wird ein Schienenersatzverkehr eingerichtet.

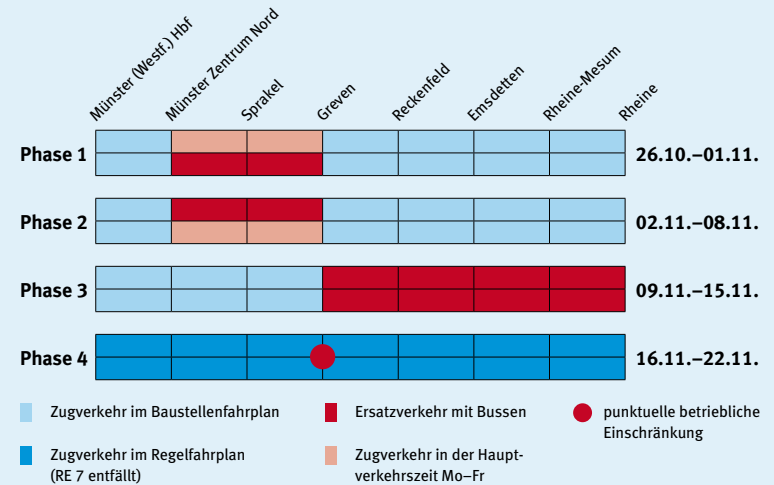

Ausnahme: in den Hauptverkehrszeiten passieren die Züge die Baustelle eingleisig, sodass kein Umstieg erforderlich ist.

Im Anschluss folgt die **dritte Bauphase (09.11.–15.11.)**, in der die Gleise in Reckenfeld (Gleise 1 und 2) sowie die Weichen in Emsdetten instand gesetzt werden. Da in dieser Zeit keine Zugfahrten zwischen Greven und Rheine möglich sind, wird ein Schienenersatzverkehr (SEV) mit Bussen eingerichtet.

In Greven wird in der **letzten Bauphase (16.11.–22.11.)** Gleis 2 inklusive der Weichen erneuert, wodurch es zu einer Mitsperrung von Gleis 1 kommt. Da lediglich Gleis 3 befahrbar sein wird, kommt es zu einem Teilausfall der RE 7 zwischen Münster und Rheine – alle anderen Züge verkehren planmäßig.

In diesem Fahrplansonderheft haben wir für Sie die geänderten Fahrzeiten aller Züge sowie die der Schienenersatzverkehre zusammengestellt. Wir werden versuchen, die Beeinträchtigungen für Sie möglichst gering zu halten.

Vielen Dank für Ihr Verständnis.
